Rated 5 out of 5 by Anonymous from I love roblox This game is great! I play it all the time, it helps me a lot with my school work! It also helps me get better at math and reading. We are supposed to have it in our classroom but we only used it for homework so far. The thing that I don't like about this game is that some one really has to tell you what to do. They don't run the servers themselves so they often change things and cut off some features. It's also expensive, but I think it's worth the money.

You are paying for a product that doesn't exist. You wouldn't pay for an airline ticket without knowing when the flight has left the gate or whether it would ever take off. It is unethical to purchase Robux (robux) without knowing how they are stored or used within ROBLOX's software. You shouldn't be forced to pay for something in which you have no ability to benefit from what you're paying for.
